

FORTUNE CONNECT

Dear Alum,

When you graduated, our relationship with you took a different turn. The relationship evolved with a different set of expectations from each other. You are the backbone of the Institute, campus ambassadors proudly wearing the name of FIIB on hats and shirts, supporting and cheering at all times. We are happy that we are a part of your journey and your achievements make us proud. Over the years now, we as a community have grown and truly supported each other through thick and thin. We try to come up with different opportunities, to give you an excuse to come back to the Institute. This bond is the promise of a lifelong partnership.
