

FORTUNE CONNECT

Dear Alum,

Let's take time to appreciate the driving forces of the world, without them our existence is impossible. FIIB has a large and diverse breadth of remarkable individuals within its alumni community. This month we are dedicating the issue of Fortune Connect to our Women Alumni, in honor of International Women's Day. In this edition, we are featuring some of our women achievers and highlighting their accomplishments and professional progression. Here's to strong women, may we know them, may we be them, may we raise them, Happy Women's Day!

With much pride and appreciation for the entire FIIB alumni community,

Dr. Purnima Rao & Prof. Shuchi Dikshit
Alumni Chairs

ALUM OF THE MONTH

Ms. Jasmeet Kaur
Managing Director at Jasmey Homes
 Batch 2010-2012

"A successful inspirational entrepreneur solves a problem, expresses creativity, helps their community, is free, and/or overcomes personal or social obstacles. Oftentimes, we measure success by how much money we make, but that's not why inspirational entrepreneurs are in business."

CELEBRATING WOMEN LEADERSHIP

On our campus as well as across the world, women's day was celebrated this month. Women have played a key role in forging FIIB's 28-year legacy, and many were the only women in classrooms, boardrooms and offices-paving the way for those who followed. Feeling proud to highlight how our alumni are proving their potential, justifying gender neutral workplaces and leading the way forward.
