Sub: Intention of approval to Fortune Institute of International Business, Krishna Farm, P. Jawawan, Nazafgarh Road, New Delhi - 110 061 for the year 2005-06.

Ref: Memo No. /

As you are aware All India Council for Technical Education has been mandated under the ACTE Act, 1957 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for insuring technical education by the institution so that quality of courses is not compromised and stakeholders are benefited. The Council also undertakes an annual inspection of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be non-compliant about taking steps to remedy the deficiencies.

Such institutions suffer from critical deficiencies of faculty in proper cadre ratio, qualification requirements and other requirements. Feedback of students with regard to quality of educational inputs by such institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, also point out major deficiencies.

The institution has been found to be suffering from several deficiencies, which are listed in Annexure-A for your perusal. Shortage of faculty is of graded category.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc) could have rendered your institution liable for punitive action including being placed in no admission/reduced intake category. However the Council has decided to take a lenient view and give you yet another last opportunity to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of Fortune Institute of International Business, Krishna Farm, Bijawasan, Nazafgarh Road,, New Delhi - 110 061 your institution for the year 2005-06 is as under:-

COURSE(S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
MDSM-FULL TIME	121	130

Note: Additional intake/new courses/100 quota not approved on account of deficiency in respect of existing existing courses/intake.

For above approval to be effective your institution will have to comply by August 2005. A compliance report indicating details of deficiencies and details of faculty are to be submitted to the Council, along with a copy to concerned Regional Office, by 31st August, 2005 to enable your institution for inclusion of approval for the year 2005-06.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institutions should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.
